Date _____

MAKE YOUR OWN BAR GRAPH

Directions: Use the chart below to make your own bar graph on graph paper. Make sure you double check your answers!!!

Eric Miller watches WAY too much television! He watches TV every day after school. Sometimes he watches less television because he goes outside to play with his friends or because he has a lot of homework. Use the chart below to answer the following questions and create your own bar graph.

Turn off the Television!

Day of the Week	Hours of television watched
Sunday	10
Monday	4
Tuesday	1
Wednesday	5
Thursday	2
Friday	5
Saturday	13
